ane Ideas

Pickfive old projects, five new projects, and two crazy ideas you've always wanted to try. Why just five? This leaves plenty of room to add more projects that come up throughout the year.

# 30 Day Creativity Booster

Take a picture each day for 30 days.

Select items that stir your imagination. Look for textures, patterns, colors, shapes, and relationships that speak to you. Go outside of the world of fabric and explore areas you wouldn't normally relate to quilting.

Once you snap the picture, create an entry for it in your 30 Day Creativity Booster.

There is space provided for a quick sketch of your photo or to tape a printed copy of the image.

Use the questions at the bottom of the page to help prompt you or write whatever speaks to you.

Make each day a new exploration or follow a theme that piques your interest. Make this journey your own!
