

Label each box for an area of your home you want to focus on.
List projects you would like to make for each room.

The diagram is a house-shaped template. The roof is a large triangle filled with red glitter, containing the text "Home Sweet Home" in a white cursive font. The main body of the house is a large rectangle divided into five smaller rectangular sections by black lines. The top row consists of two equal-width boxes. The bottom row consists of a smaller box on the left and a larger box on the right that spans the width of both boxes in the row above.

Here are some ideas to inspire you:

Throw/lap quilt
Pillow
Tablerunner
Wallhanging
Placemats

Napkins
Shower curtain
Pot holder
Tablecloth
Basket liner

Banners/flags
Rug
Seat cover
Chair skirt
Cushions

Mood Baskets

Use the spaces above to brainstorm ideas for each room of your house.

What is the purpose of this room?

Why do you spend most of your time in this room?

What colors come to mind when you think about this room?

What story does this room tell about you? What story do you want it to tell?

Add images, colors, and words to the space to inspire you!

Label a basket for each room in your house. Select fabrics from your stash that best suit each room and place them in the appropriate basket. Toss in any embellishments you have that suit the room. Add any patterns you already have on hand for fun projects. Use this as a visual guide for creating the room and planning projects.
